

Potassium Formate 75%

Description

- Potassium Formate 75% solution in water

Applications

- Drilling and completion fluids
- Deicer
- Heat transfer fluids

Delivery forms

- IBC 1570 kg
- Bulk

Sales specification

Potassium Formate content, % ¹	Min. 74
Density (at 25°C), kg/m ³ ²	1560-1580
pH (at 25°C) ³	9-10

Typical properties

Iron content, ppm ⁴	5
Chloride content, ppm ⁵	25
Other organics, % *	0.5
Calcium content, ppm *	8
Crystallisation temperature, °C *	0

* Information only

Analytical Method

¹ PO124-2, ² PO351/ ISO-15212-1, ³ PO110-3, ⁴ PO103-9/ ID 8565, ⁵ PO312

Analytical methods are available on request
